FUNDING THE FUTURE

The Gold Coast Academy of Sport, with the support of the Australian Sports Foundation (ASF), is seeking your help to raise funds to support the GCAS pre-elite athlete training programs for aspiring athletes within Queensland's Gold Coast region.

The TALENTED ATHLETE initiative aims to raise money towards further development of GCAS sport programs to provide opportunities for athletes and assist them in reaching their sporting goals and achievements.

Funds raised will support Gold Coast athletes, offset the cost of venue usage, uniforms, camps and the many skill development and personal development components provided to the Gold Coast's aspiring athletes. Your donation is an investment in the development of our most precious resource — OUR YOUTH!

With the Commonwealth Games being held on the Gold Coast in April 2018, it is an opportune time to invest in the development of sport. Australians love their sport—it does not define by body type, gender, location or culture.

Established in 2009, the Gold Coast Academy of Sport is a non-profit community sporting organisation committed to providing opportunities for athletes within Queensland's Gold Coast region.

The opportunities and future developments for sport on the Gold Coast are unlimited. The Academy plays an essential role in the personal development and life skills management during the formative years of a developing athlete.

AUSTRALIAN SPORTS FOUNDATION

The ASF was established by the Australian Government to assist organisations to raise funds through public and corporate donations for the development of sport in Australia.

Pursuant to ASF's listing in the Income Tax Assessment Act (1997) (div 30, S 30-90) donations of \$2 or more to the ASF are tax deductible.

Donors must contribute unconditionally to the ASF to claim a tax deduction. However, the ASF's structure makes it possible for a donor to nominate a registered project as the preferred beneficiary of their gift.

The Gold Coast Academy of Sport's TALENTED ATHLETE PROGRAMS initiative has been registered with and is conducted under the charter of the ASF.

All claims are subject to being accepted by the Commissioner of Taxation. If either an individual or business is uncertain of their position, they should seek their own professional advice.

The Academy creates and delivers opportunities for sport to be a vehicle to increase wellness, health, well being and physical abilities in schools and sporting organisations in the Gold Coast sporting area.

Programs are designed to improve practical skills in their chosen sport as well as provide athletes with the knowledge of how to approach their sporting preparation in the areas of Psychology (goal setting, mental toughness etc), Nutrition, Media training, Strength and Conditioning, Recovery and other important life skill development topics.

HOW TO GET INVOLVED

The Gold Coast Academy of Sport has registered the TALENTED ATHLETE PROGRAMS project with the Australian Sports Foundation, enabling donations to be tax deductible.

For your convenience, a donation form is overleaf.

THE BENEFIT OF MAKING A DONATION

The benefit of making a donation to support the GCAS TALENTED ATHLETE PROGRAMS initiative is that the donation is fully TAX DEDUCTIBLE.

The GCAS would welcome your help to further develop the sport programs on offer by making a donation today? Talk to your friends, work colleagues, businesses and / or organisations you are involved with and encourage their support for this extremely worthwhile cause (don't forget to mention the tax deductibility aspect).

The GCAS was formed in 2009 to help athletes reach their sporting goals and potential. In order for the Gold Coast Academy of Sport to continue to deliver and expand on the robust sports programs driven by state of the art technologies and leading professionals we are seeking your support.
